Since our formation in April 2004, we have succeeded in challenging the US/UK occupation of Iraq through a series of major public meetings - together with demonstrations, newsletters and media campaign work. Much of this important work is only possible thanks to the generosity of supporting individuals and organisations. By becoming a member of Iraq Occupation Focus you can help us to make an even bigger impact in future.

### Membership rates

Individual membership of Iraq Occupation Focus is by payment of a subscription, either as a single annual fee of £15 (£3 for unwaged members), or by a regular standing order, starting from a minimum of £1 per month. Waged members are encouraged to contribute £2 per month.

### The aims of Iraq Occupation Focus are to:

- Campaign to end the occupation of Iraq and provide practical solidarity for Iraqis.
- Disseminate information in Britain about the realities of the occupation; develop and publicise the arguments for ending the occupation; research and highlight the reasons for British involvement.
- Work to secure more accurate and comprehensive coverage of the realities of the occupation in the British media.
- Build direct links with and support Iraqis struggling for democracy and independence.
